

Corrie Maiden by Brendon Mustachio

age: 21

residence: Dallas, Texas

education: Bachelors of Science

occupation: Microbiologist

marital status: Married

"It's important to remain calm in a stressful situation. Never lose your cool and remember that you can rely on others."

She has a delightful personality and is always a kind person who is patient with others. Studying as a microbiologist, she studies the growth and characteristics of microscopic organisms. Besides that, Corrie is a hard worker and always looking for new innovative ways to counteract viruses and diseases.
