

Olivia Harper by Brendon Mustachio

age: 17

residence: Los Angeles, California

education: High School

occupation: Medical Internship

marital status: single

"I want to help people and save lives."

Olivia struggled in middle school but did not let that dictate where she would end up. She lived through a horrible car accident and wants to become a doctor or surgeon. She is determined and will not stop no matter how many road bumps are in her path.
